

English SFHSA Messages: CalFresh Extra EBT Food Payments Ending

COVID-19 extra EBT food money is ending. March is the last month you will receive two payments on your EBT card. Starting in April, you will get your regular EBT payment, but you will NOT receive the extra COVID-19 money on your EBT card. You don't have to do anything right now. Please call (415) 558-4700 if you have any questions.

Only the extra COVID-19 food money is ending. You will keep getting your regular CalFresh EBT payment as long as your case is active. The amount you get depends on the number of people at home and preparing meals with you, income, and other information. You don't have to do anything right now. Please call (415) 558-4700 if you have questions.

What can I do if I need more food? Call 3-1-1 or visit sfhsa.org/GetFood to find local food resources. You can get more money for food at some farmers markets through "Market Match." Call (510) 925-4001 for more details.
