<b>TO:</b>	HUMAN SERVICES COMMISSION
<b>THROUGH:</b>	TRENT RHORER, EXECUTIVE DIRECTOR
<b>FROM:</b>	DANIEL KAPLAN, DEPUTY DIRECTOR
<b>DATE:</b>	AUGUST 24, 2023
<b>SUBJECT:</b>	<b>AGREEMENTS WITH THE CALIFORNIA DEPARTMENT OF SOCIAL SERVICES:</b> TO ADMINISTER THE “2011 REALIGNMENT CONTRACT SPECIAL ACCOUNT” ON BEHALF OF THE 58 COUNTIES OF CALIFORNIA

The Human Services Agency (HSA) requests authorization to approve the 59<sup>th</sup> County Letter of Agreement with the California Department of Social Services (CDSS), in accordance with Government Code section 30029.8, for the period from July 1, 2023 through June 30, 2024. The Department would receive allocated funds and reimburse CDSS for services performed on behalf of the 58 California counties through statewide contracts, at no cost to the Department.

**Background**

In 2011, California enacted several pieces of legislation (AB 109, AB 117, AB 118, and ABX1 16) which collectively are known as the 2011 Realignment legislation and which moved the programmatic and fiscal responsibilities for several programs from the State level to the local level of government. In Social Services, the realigned programs included Adoption Assistance, Adoption Administration, Foster Care Assistance, Foster Care Administration, Child Abuse Prevention, Child Welfare Services, and Adult Protective Services.

The realigned services included several services which are provided through Statewide contracts. SB 1020 created a permanent financing structure for the 2011 Realignment programs, including the establishment of the “2011 Realignment Contract Special Account” for the purpose of funding the Statewide contracts. One of the counties is responsible for serving as the “59th county” to fulfill this role and receive the allocated 2011 Realignment funds in order to reimburse the State for the Statewide contracts. Santa Clara County had served as the original “59th County” for the first two fiscal years, fiscal years 2013-14 and 2014-15. However, in fiscal year 2015-16, with turnover at the top level of fiscal administration in Santa Clara County, San Francisco was approached to take over that role. San Francisco stepped in and has served as the 59th County since fiscal year 2015-16, with annual agreements each year.

We were invoiced and paid to the State \$27,331,036.06, leaving a balance of \$46,351,832.13 to roll forward for fiscal year 2022-23.
