

# K.I.D.S. Newsletter

## Survey Questions for August/September 2016 Newsletter

Complete the test and survey questions to be entered to win a gift. You can also fill out the test and survey online at: <https://goo.gl/BE38Xd>

1) Have you attended any of the Foster Parent Quarterly Meetings? Yes  No

2) If yes, what went well or what could be different?

---

3) What topics/concerns would you like to discuss at the Quarterly Meetings?

---

4) Please write a question about something you have struggled with as a care provider. We would like to use your question in the Ask Kids advice column (don't worry, we won't use your name!).

---

---

5) Would you like the newsletter in Spanish? Yes  No

6) Would you like to STOP delivery? Yes  No

To be added to the newsletter birthday list, write your name and birthday in the comment box below.

## Test Questions for August/September 2016 Newsletter

Complete the test and survey questions to be entered to win a gift. You can also fill out the test and survey online at: <https://goo.gl/BE38Xd>.

Test Questions for August/September 2016 Newsletter Complete the test and survey questions to be entered to win a gift. To be eligible for the monthly drawing we must receive your test/survey by the 10th day of the following month (August/September's test/survey deadline is October 10th). You must complete BOTH the test and survey questions to be entered into the drawing. You can earn 0.25 Educational Licensing hours if you complete and return the test questions in the enclosed prepaid postage envelope. Please make sure you write TK12 on the envelope next to the Worker No.

- 1) Burns are classified three ways. T  F
  - 2) SPF30 or higher is better to protect against sunburns. T  F
  - 3) Children should bathe in water 120 degrees or higher. T  F
  - 4) Skin blisters from the sun should be popped. T  F
  - 5) Putting ice on a burn is the best remedy. T  F
