

The Human Services Commission is pleased to acknowledge Human Services Agency Fleet Manager Jeff Baquiran as the March 2017 Employee of the Month.

Jeff has supervised the Fleet Management team since 2015 and has lead by example since day one. Recent accomplishments include the implementation of the City Administrator's Vehicle Use Policy, creation of a user-friendly reservation system for visitor parking, developing a green cleaning program for vehicles, a mobile cleaning program for out stationed vehicles. According to recent staff surveys, Jeff and his team have improved the overall customer service in the Fleet Management office. Keeping HSA staff on the road in clean and safe vehicles is critical to delivering services and promoting wellbeing amongst all San Franciscans.

It is with gratitude and great pride that the Commission presents you, Jeff, as the March 2017 Employee of the Month. Thank you sincerely. Your work is highly valued and greatly appreciated.
